## Farewell...

For 15 years, Mr. Joe Klima has served West Geauga Schools in his role as custodian. Westwood has been fortunate to have him as part of our family the last three and a half years. Today, he starts a new adventure into retirement. PTO extends a fond farewell. We are appreciative for the way you cared for our kids like your own, being the first friendly face they saw each morning on arrival. And for everything you've humbly done for PTO – from opening doors to setting up tables and photo booths or just being a listening ear – we're grateful. May you enjoy many cups of coffee on your deck and dances with your wife. Yellow Rock to you, Mr. Klima. And thank you.
