Many Thanks

Many thanks to Caise McHale and all her volunteers for making our Fall Festival a success. Also, a special thank you to Mrs. Nanney and her keen eye for seeing into the future of our students! • Coming up this week we have the Book Fair! Starting Monday, October 29 and continuing until November 6 in the Westwood library. The book fair will be open during conferences. • New this year is the Breakfast Books and Buddies (in lieu of lunch with a loved one). Half our families are invited now and the other half will be invited in the spring. We will provide light breakfast items and COFFEE (not for your students of course). We will look forward to seeing the invited families Tuesday, Wednesday and Thursday on your scheduled day as early as 7:30 am. Feel free to bring your own breakfast. Please send in your RSVP.
